

You are all doing an INCREDIBLE job! By 4:00 PM, we had collectively raised **\$718,697** from **1,201** donors (that's almost a \$599 average gift!), and we still have over 10 hours to go (the platform technically closes at 3:00 AM Central so that the rest of the country has until at least midnight).

We are SO impressed with all of the great posts and videos that we've seen. Keep them coming and continue pressing through for the remainder of this day. So much wonderful work will be accomplished as a result of your efforts, and we'll be drawing a \$500 winner for best social media post. **Remember to include the hashtag "#iGiveCatholic" on all your social media posts to ensure we see them!**

You can check on our united archdiocesan progress and leaderboard at stl.igivecatholic.org. This year they've also added a national leaderboard for participating archdioceses that you can see [HERE](#). As of 4:00 PM the Archdiocese of St. Louis was ranked 3rd in the nation!

We also want to give a special shout-out to [Duchesne High School](#), the [Affordable Housing Fund](#), [Chesterton Academy of St. Louis](#), and the [Today and Tomorrow Educational Foundation](#), who are all ranked in the Top 100 of #iGiveCatholic NATIONALLY (at #4, #6, #36, and #99, respectively). Awesome job!

Congratulations to [Sts. Joachim & Ann Catholic Church & School](#) and [Blessed Teresa School of Sacred Heart Parish](#) for winning \$1,000 each from our random Golden Ticket drawings! We will be awarding a third Golden Ticket and more prizes tomorrow. To review all the prizes and ensure you are eligible at every turn, check out [our prizes page](#).

Here is another reminder that any offline gifts can be entered through December 10th, so please be sure to enter any checks or cash you receive as soon as they come in. Let's continue to recognize all of our very generous supporters!

Go Team!
