Amendment 3

Missouri Bishops Urging Catholics to Vote YES on Pro-Life Amendment 3

Catholics in the Archdiocese of St. Louis have a long history of fighting the scourge of abortion. We are joined by Catholics throughout Missouri as well as the universal Church in defending life.

On November 3, **voters will get the opportunity to restore pro-life values to the Missouri Constitution**. If passed, Amendment 3 would substantially limit the number of abortions performed in our state and spare more women, men, and families from the multiplied harms abortion brings.

Archbishop Mitchell Rozanski recently joined with his brother bishops across Missouri to issue a powerful **joint statement, video, and Respect Life Rosary** calling the faithful to pray, fast, and educate for the passage of Amendment 3.
