@archstl.org Emails

Email accounts hosted by the @archstl.org domain (parish#### and ParPR####) are not to be forwarded to other email accounts. Forwarding @archstl.org domain emails moves it onto the entire internet, eliminating security, and opens the parish, parish employees, and the Archdiocese to hackers. Each @archstl.org domain email is opened by signing into that account. Emails sent to these accounts often contain information that needs to be protected and is confidential in nature. Please help us keep our emails safe and protected from fraudulent cyber security issues.

PCI Steering Committee

Do you want to have an impact on the bridge of communication and projects between the Curia and the parishes? If so, put your name in the "hat" for the PCI (Parish & Curia Integration) Steering Committee at the October Curia Connection Meeting. The PCI Steering Committee advises and supports parishes and PCI projects and initiatives. Monthly meetings are either in person or remotely. A drawing at the October 16th meeting will select two members from each Vicariate. You must be present to 'win' so the group can meet briefly at the end of the meeting. Please consider serving on the committee and become instrumental in improving the support and communication between parishes and Curia. Entry 'tickets' will be on the meeting sign in table.

We are excited to bring all three vicariates together for the October Curia Connections gathering, on one date:

Wednesday, October 16th
at Cardinal Rigali Center (20 Archbishop May Dr, 63119)

Beginning with 11:45am Mass in the Chapel, followed by lunch and a brief program in the Fleur de Lis Room. Representatives from curia offices will be present to answer your questions. See registration link for full agenda. Contact your vicariate coordinator for more information.

Monthly Update List - Changes Coming

Minor updates and changes are coming to the Monthly Update List procedure parishes use to inform the St. Louis Review of address changes, new parishioners, etc. A brief overview of the changes will be presented during the October Curia Connection meeting and detailed instructions will be published when available.

World Mission Sunday Special Collection 10/20

GO AND INVITE EVERYONE TO THE BANQUET this World Mission Sunday, October 20th!

On World Mission Sunday, we are reminded of the universal call of our Baptism to be Christ's witnesses to the world. As we gather at Mass, our prayers, sacrifices, and financial contributions support the Holy Father's efforts to care for the over 1,100 mission dioceses worldwide. Financial offerings assist in building chapels and churches, training catechists, facilitating transportation to remote areas for the Sacraments, and supporting seminaries, religious communities, schools, and more.

Materials for World Mission Sunday, including pew envelopes and posters, will be mailed to all parishes at the beginning of October.

Digital resources are available at www.archstl.org/wms. These include a letter from Archbishop Rozanski, bulletin announcements, prayers of the faithful, and graphics.

If your parish uses online giving, please ensure that the World Mission Sunday collection is included.

For additional posters, pew envelopes, or any questions, contact the Mission Office at missions@archstl.org or 314-792-7655.

Parish Bulletin Gateway

The Parish Bulletin Gateway no longer exists on the new Archdiocesan website. Do you have event items you'd like to share with other parishes? To have your news item or event announcement included in this newsletter, send notices and flyers to your Vicariate Coordinator.

Or, to reach all of the faithful in the Archdiocese, have your event uploaded to the St. Louis Review Event Calendar! We can submit a calendar request for you, or your parish is welcome to submit a request directly! To submit your own calendar items to the St. Louis Review, [CLICK HERE](#).
