

In-network also means online choices

DeltaVision uses the EyeMed Insight Network and offers several options for using in-network benefits online

We know eyesight changes. And we know how people buy eyewear is changing, too. That's why we offer members a seamless way to use their in-network benefits to buy both glasses and contacts online. And, we're taking it a step further - we now offer even more options to make sure that you get unmatched choice in where you can shop online.

Convenient online shopping offers:

- Wide selection of top-selling name-brands
- Lenses and contacts available for just about any prescription
- User-friendly experience shows members exactly what their benefits pay for
- Easy prescription verification — just snap and send a picture
- Free shipping and returns
- Photorealistic 3D virtual “try-on” technology for frames at Glasses.com

15% of eyewear purchases are now made online¹

More than eight in 10 millennials are digital shoppers²
