

RURAL PARISH CLINIC
ARCHDIOCESE OF ST. LOUIS
MEDICAL—DENTAL

Are You Looking For That Community Service Project For Your Organization, Church, Or Group?

The Rural Parish Clinic is hoping you will collect personal care items that can be given to our patients in need.

Our clinic offers no-cost primary care to the uninsured and income qualifying adults. Many of our patients have little or no income and appreciate receiving personal care items during their visit. These items can sometime be expensive to add to a shopping list. Items that we find are most needed are soaps, shampoos & conditioners, lotions, razors & shaving cream, toothbrushes & toothpaste, as well as deodorant.

For Questions or To Deliver Items Call 314-792-7717
