

# GUN VIOLENCE PREVENTION

ARCHDIOCESE OF ST. LOUIS

## SAFE FIREARM STORAGE SAVES LIVES.

The Archdiocese of St. Louis is providing **FREE gun safety locks**. Contact any parish office or the Archdiocese at [GVPTF@archstl.org](mailto:GVPTF@archstl.org) to obtain one, no questions asked.

Nearly 60 percent of adults, or someone they know or care about, have experienced gun violence in their lifetime. Locking firearms can reduce gun violence — including the risk of unintentional shootings and suicides.
