

Each spring, the Respect Life Apostolate team takes part in the Missouri Pro-Life Action Day in Jefferson City to lobby our legislative representatives on sanctity of life issues. Joining with other Catholic dioceses and pro-life ministry partners, this yearly lobby day also includes a rally, a pro-life exhibit fair, keynote speaker, as well as prayer and fellowship. Prayer is led by the Diocese of Jefferson City and other Christian clergy, and logistics are organized by Missouri Right to Life. The event lasts from about 10 a.m. to 2 p.m. and buses leaving from strategic points in the Archdiocese are available. Contact prolife@archstl.org or 314.792.7555 for future events dates and other questions.
