

Unum provides you with a simple, secure way to manage your claim online. Whether you're filing for the first time or updating your claim, our web service is easy and intuitive. It also allows you to view updates, correspondence, documentation and more. Best of all, this online option is available at your fingertips, 24/7 — whenever you want and need it.

To get started, go to [unum.com/claims](https://unum.com/claims), and register, or sign into your account.

## Secure & easy access:

- Short and simple process that saves time
- Convenient access, day or night
- Website security that safeguards your personal data

Go to [unum.com/claims](https://unum.com/claims)

## Managing your claim is just a touch away

Go mobile with the MyUnum for Members app

## Online updates make managing your claim easier

- Update your profile information
- Add or update the doctors and medical providers associated with your leave
- Opt out of leave-related mail if you would rather view correspondence online
- Quickly upload documents from your personal computer or mobile device

## MyUnum for Members app:

## MyUnum for Members website:

\* Start your claim on the website and then use the mobile app to conveniently manage your claim.

MyUnum for Members app is available for Apple and Android devices.
