

# Will & Advance Directive Information

---

*Priests Personnel*

## **WILL**

**\*\*It is extremely important that each priest have a completed will. To see that your intentions can be followed and to prevent placing a burden on your family or friends, you need to have a will regardless of what size your estate is.**

The process to complete a will is both simple and straightforward.

1. Decide which person(s) or charities you wish to have as beneficiaries and make a simple list with their information.
2. Contact one of the following attorneys:

Marc Kramer\*  
1015 Locust Street  
St. Louis, MO 63101  
P: 314-241-1242

**\*\*Marc is licensed in the state of Missouri. He does not charge a fee to priests, as this is part of his stewardship.**

Deacon Thomas Burke  
501 1st Capitol Drive Suite #2  
St. Charles, MO 63101  
P: 636-947-1122

3. The attorney will meet with you to discuss your wishes and ask several, simple questions:

- What do you own?
- What objects of financial or sentimental value do you have, and to whom do you wish to gift them?
- Which person(s) and/or charities do you wish to receive your money. (It can be an amount or a percentage.)

4. The attorney will write your will and meet with you again, to have the will signed and notarized.
