

The Archdiocese of St. Louis is required to provide specific annual notices throughout open enrollment and the plan year. Please [Click Here](#) to access the Archdiocesan Benefits Webpage, where access to all notices are unlimited. In the meantime, the notices and a brief explanation are listed below.

Notice	Explanation
CHIP State Premium Assistance Notice	Potential opportunities for premium assistance in the state in which the employee resides.
Notice of HIPAA Special Enrollment Right	Notify of special enrollment opportunities during certain situations
Certificate of Creditable Drug Coverage (Medicare Part D)	Discloses whether the coverage is ‘creditable’ (actuarial value equals or exceeds the actuarial value of defined standard Part D coverage)
Notice of Health Insurance and Marketplace Coverage	Informs employee of State’s Marketplace, that the Archdiocesan plan provides minimum value and that the employee may be eligible for a premium tax credit and a cost sharing reduction through the Marketplace; and if the employee purchases a qualified plan through the Marketplace that the employee will lose the employer contribution to any health benefits plan offered by the Archdiocese.
Summary of Benefits and Coverage (SBC)	Overview of the plan benefits, structured per CMS guidelines
HIPAA Privacy Notice	Provides clear, user friendly explanation of individual’s rights with respect to their personal health information (PHI) and the privacy practices of health plans.
Notice of Availability of HIPAA Privacy Notice	Availability of the HIPAA Privacy Notice
Women’s Health and Cancer Rights Act Notification (WHCRA)	Notify of provided protection to patients who choose to have breast reconstruction in connection with a mastectomy.
Newborn’s and Mother’s Health Protection Act Disclosure (NMHPA)	Notify employees that the plan may not restrict hospital stays in connection with childbirth.
