Tithing for the Poor Sunsetting June 30th

We want to thank all the parishes for their faithful generosity to the **Tithing for the Poor** collection. Unfortunately, over the years, participating parishes have dwindled. This situation was brought to the Presbyteral Council, and it was unanimously approved to sunset the program at the end of this fiscal year: June 30th, 2024. We hope that parishes continue to “tithe” to needy parishes, Archdiocesan ministries, and neighborhood needs; as Catholics, this is what we do! Though your tithing will no longer be funneled through the Archdiocese, please continue to care for the needs of those among us.

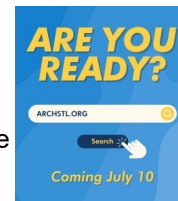

OnLine Sacrament Recording

Recently, many parishes received an email from Flocknotes presenting their new sacrament recording tool. In the Archdiocese of St. Louis, all sacraments occurring in a parish’s territorial area are to be recorded in the sacramental register for the territorial parish where the sacrament occurred and entered into that parish’s Parish Helper OnLine. Parish Helper Online is used to produce sacramental certificates and to send notifications to parishes. A paper copy of the notifications should also be sent to the parish of Baptism. Parish Helper OnLine was created and is maintained by the Archdiocese of St. Louis for the recording of sacraments. Flocknotes has only been vetted by the Archdiocese for communications. It has not been vetted for sacrament recording, contribution listing, or for the tracking of parishioners.

New Archdiocesan Website

The Archdiocese will reveal their new website on July 10th. The new website will have a complete modern interface with a seamless user experience and include an AI chatbox. Make sure to check out the new website.

Missionary Plan of Cooperation

Missionary Plan of Cooperation is set by a date determined by the pastor in collaboration with the assigned Missionary Group. The appeal is scheduled between May and September. These checks are to be made out to the parish and forwarded to the Archdiocesan Finance Office, made out to the correct account and balance by Net Teller within 30 days of the date.

PARISH & CURIA INTEGRATION

archstl.org/parish-accounting-services/parish-support

Parish and Curia Integration serves both parishes and Curia. We serve St. Louis pastors, parish staff, Curia members, volunteers, USCCB and parishes outside of the diocese. It is our mission to provide training and support. We either have the answer, will get the answer, or refer you to someone who can assist. We are here to help.
