Vatican Communicates St. Paul in Berger Appeal Decision

The Vatican's Prefect of the Supreme Tribunal of the Apostolic Signatura has responded to a parish that appealed its suppression or merger as part of All Things New.

The Prefect has rejected the petition for hierarchical recourse for St. Paul in Berger, thus upholding Archbishop Mitchell T. Rozanski's 2023 decree to subsume St. Paul into Assumption Parish in New Haven. The prefect decreed that the decision is final.

These are the remaining parishes for whom there is an outstanding appeal to the Supreme Tribunal of the Apostolic Signatura:

- St. Catherine of Alexandria
- St. Barnabas
- St. Lawrence
