

## 2026 Virtual HSA Educational Webinars

Please join us during any one of two scheduled webinars where we will be discussing the High-Deductible Health Plan with Health Savings Account (Base Plan) that will continue to be offered during the 2026/2027 plan year. We will discuss the features of an HSA, as well as eligibility, benefits and more. You will also have the opportunity to ask any questions that you may have.

We understand that everyone's schedule is different, so we are offering two different webinar sessions (4pm April 9th, or, 8am April 21st) to accommodate your availability. Each webinar will cover the same material, so you only need to attend one session. However, if you are interested in attending multiple sessions to reinforce your understanding or have additional questions, you are more than welcome to do so!
