Celebrate *Life* Mass

JOIN US SATURDAY, OCTOBER 19

Cathedral Basilica of St. Louis
10 to 11:30 AM

Unite in prayer and witness with the Archdiocese of St. Louis community at the **Celebrate Life Mass** during Respect Life Month on Saturday, October 19 at 10 a.m.

Join Catholics and other pro-life leaders in thanking God for ending abortion in Missouri in 2022, honoring those lost to abortion, praying for those in need of healing, and committing to build a Culture of Life and Love in the Archdiocese.

The Mass, celebrated at the Cathedral Basilica of St. Louis, is followed by the Holy Rosary and a reception in Boland Hall.

This year's Mass will be presided by Bishop Mark Rivotuso.
