

# Welcome to Mobile Summit

Benefits at your Fingertips. Access your Flexible Spending Account employee benefits account information on your mobile device. Download the app now from the Apple and Android stores by searching for “Mobile Summit”.

**Login** - Mobile Summit uses the same login credential as the online participant portal. Once you have registered online, login in to the new app using the same username, password and TPA code (127).

**Homepage** – View a list of all your accounts and available funds. Select an account to view available balance, annual election and reimbursements and more. The icons at the bottom of the homepage allow you to access many more features of Mobile Summit. A red dot on the alert icon indicates there is an action you need to take.

**Recent Transactions** – Access a list of transactions across all accounts, sorted by date. Click on any transaction to view specific details.

**Enter a Claim** - Quickly and securely file claims using your phone. Enter the claim information including Claimant, Service Dates, amount, Provider/Merchant, and Reimbursement Method. Then upload a photo of the receipt or EOB and submit for processing.
