ON GIVING TUESDAY

Weekly Email Series 2026

This Week: Set up your Organization Page

Now that you have registered for #iGiveCatholic 2026 and have set your goal, it is time to build your page! When creating your profile page it is important to layout **who you are, what you are raising funds for, and how to get in touch with you**. If your page is attractive and well laid out, it will make it all the easier to give to your cause!

First things first: **COMPLETE YOUR TO- DO LIST!** *Your page will not be searchable until you complete the following tasks:*

- Add a background image
- Add a profile/logo image
- Have 250+ characters in your story
- **NEW FOR 2026:** ALL organizations must add a bank account in the disbursement settings. Need assistance? Check out instructions [HERE](#).

For the disbursement settings, be sure to check to ensure your bank account went through. Some organizations may need to provide additional verification documents, such as a voided check or letter from the bank, especially if the name of the account does not match the name of the organization!

Completed your to-do list, and ready to take your page to the next level?

You can also change your URN to a more shareable URL! Instructions can be found [HERE](#).

Consider Customizing your donation form - you can add a designation section, set your donation levels, and add any additional questions you would like to gather on your donors.

- *The default donation setting is to allow both one time and recurring gifts. If you would like to turn off the recurring gifts option, follow the steps below:*
 1. Go to Checkout>donation form
 2. Toggle Down "Donation Options"
 3. Click the "Monthly" tab at the top
 4. Toggle Off "Monthly Donations"
 5. Click "Save" at the bottom of the box
- If you are more visual, there is a short video [HERE](#) walking through how to turn off the monthly recurring gift option. It is also available on the [training page](#).

If you are seeking another point of engagement with your donors, customize your thank you page! You can add a video, image, and heartfelt story letting your donors know you appreciate their gift upon it being made!
