

Okay, friends...here we go!

We're in for an exciting ride today. There is no real "assignment" other than to enjoy as the day unfolds, and watch your organization on the [leaderboard](#). Your efforts during Advanced Giving have produced an amazing **\$576,783** as of 10:00AM – that's a very firm foundation from which to begin our work today!

Please DON'T FORGET to enter ALL OFFLINE DONATIONS as soon as you can today so that those donors will be acknowledged on donor walls and as a part of the #iGiveCatholic on Giving Tuesday experience! [HERE](#) is a support article on how to do this.

Also, stay tuned to your social media and emails throughout the day and **remember to include the hashtag #iGiveCatholic on all your social media posts!**

Hopefully you will be hearing from us to learn that your organization is a prize winner. Speaking of which, congratulations to [Duchesne High School](#) for winning \$500 for most money raised through the Advanced Giving phase and to [St. Francis of Assisi](#) for winning \$500 for having one of the best profile landing pages, incorporating a cute video featuring their pastor to encourage donations! We will also be awarding two Golden Tickets today for \$1,000 each. To review all the prizes and ensure you are eligible at every turn, remember to check out our prizes page.

You can reference [this FAQ](#) (*under the "For Donors" section*) on common Giving Day questions in the event you need a reference. We will be available all day, via phone or email until 4:30 PM, and after hours via email. Don't hesitate to reach out if you need anything at all.

Please know we are praying for all to have a wonderful and successful day today!
