

Rural Parish Clinic of the Archdiocese of St. Louis

VISION

The Rural Parish Clinic of the Archdiocese of St. Louis extends the mercy of Jesus Christ to those who come to us in need by providing the highest quality, compassionate care rooted in the Roman Catholic Church.

MISSION

Drawing from the legacy of the Rural Parish Workers of Christ the King, the Rural Parish Clinic seeks to meet the medical, dental, social, emotional, and spiritual needs of uninsured residents, regardless of faith, in rural Missouri.

VALUES

Dignity: We respect and love those we serve as neighbors; all men and women are created in God's image and likeness with equal dignity.

Compassion: "Lord, when did we see you sick? Truly, I say to you, as you did it to one of my brethren, you did it to me" (Matthew 25:39). We meet Christ in our patients and bring His love and mercy to them.

Stewardship: We wisely use our resources to serve our disadvantaged neighbors through volunteer providers and donations.

Justice: We seek out those at the margins of society without health or dental insurance or financial means to obtain these basic rights for themselves or their families.
