

Resources available from the Office of Communications

Overview:

The Office of Communications is happy to provide creative services and internal and external communication support to the offices, ministries, vicariates, parishes and schools of the Archdiocese of St. Louis depending on the request and availability of the team. To streamline efforts and leverage staff, we ask that all requests be submitted to communications@archstl.org for timely routing to the needed expert for response.

External Communications:

Our external communications expert can help with:

- Pertinent information gathering; crafting and proofing news releases
- Access to media contacts and lists
- Responding to media inquiries
- Crisis communications (media and community members)
- Media interview preparation

Internal Communications:

Our internal communications expert can help with:

- Timely communication of your news to the Curia and Clergy
- Planning, designing and distributing newsletter; other email campaigns

Digital Communications:

Our digital communications expert can help with:

- Website content development and website management
- Social media content
- Social media protocols and best practices

Graphic Design:

Our graphic design expert can help with:

- Graphic design for flyers, social media posts, graphics, logos, etc.
- Strengthening graphics with use of brand standards
- Creative brainstorming
