

ARCHDIOCESE OF ST. LOUIS

Archbishop Mitchell T. Rozanski's Intention

June 2026

For Unity and Communion in the Church

We pray for deeper unity across the **Archdiocese of St. Louis**—among races, languages, generations, and regions. May our parishes reflect the rich diversity of God's people, each community like a pane in living stained glass, distinct yet radiant in the one Light of Christ. May this Jubilee renew our commitment to walk together in faith, listen with humility, and build a Church where all feel seen, welcomed, and loved.
