

Keep Your Children Safe From Guns!

IT'S A MATTER OF LIFE

Store firearms locked and unloaded.

Keep ammunition stored and locked separately from firearm.

Assume children and teens will find an unsecured gun, no matter how well you think it's hidden.

Never let your child into a home or vehicle with an unsecured gun.

Talking Gun Safety with Kids

Tell children and teens:

- **Never touch a gun, even if you think it's a toy.**
- **If you see a gun, walk away and tell an adult.**
- **Don't listen to friends who say a gun is not loaded.**

Make gun safety part of your regular safety conversations.

Recognize that talking to kids is not enough. Store guns unloaded & locked!
