Changelog

2023.1.1.2 July 14th, 2023

Minor Updates

- Added support for fixed amount payment uplifts
- Fixed issue loading certain reports for non-multi-currency companies
- Fixed issue where payments with an amount of 0 but still contained a non lease payment would only apply to the lease schedule twice.
- Fixed issue calculating termination balance for multi-book leases with a secondary book populated mid-life
- Fixed issue pulling in consolidated exchange rates on disclosure reports
